Subject: Texas NELAP accreditation renewal with drops

Dear Ms. McCartney:

I am writing to congratulate you and the staff of *Agriculture & Priority Pollutants Laboratories, LLC (APPL, LLC)*. Based on your application and primary NELAP accreditation from the state of Utah, pursuant to authorization from the Executive Director of the Texas Commission on Environmental Quality, the Program Manager of the Quality Assurance Section has renewed your laboratory's secondary NELAP accreditation with the parameter withdrawals discussed on December 01 and 04, 2024.

I am enclosing the new accreditation certificate and fields of accreditation listing. Please review the enclosures for accuracy and completeness. Your laboratory's accreditation is valid until the expiration date on the certificate and scope, contingent on continued compliance with the requirements of the state of Texas as well as those of your primary accreditation body.

Please contact me at [frank.jamison@tceq.texas.gov](mailto:frank.jamison@tceq.texas.gov) if I can provide any additional information or assistance.

Sincerely,
